

Keep to the Youthful Note for Your Girls' Garments

The youthful period offers opportunity for such lovely, girlish fashions in dress.

Keep the girls at that happy stage as long as you can. With a little care something can always be found that shows the distinctive youthful note.

We have seen to it that our outer garment stocks should include numbers of girlish fashions. And it has been a pleasure to us to see how perfectly they have adapted themselves to the demands of our girl customers. One of the most liked is this

New Wooltex "Suffolk" Coat

It has the plaited and belted back, becoming collar and fashionable side closing; satin lined to the waist. Covered up with one of these our piquant American maid surpasses even her chic French cousins, in fetching appearance. The Scotch mixtures made up in this "Suffolk" style are uncommonly good, though it comes in a variety of good materials and in all the pretty plain colors, as well.

The price of this Coat is \$22.50

LaVell's Ten Trained Dogs

An extraordinary feature. A troupe of ten trained dogs that do everything but talk, introducing high diving and all kinds of acrobatic feats. An act that is sure to please all. An act that is a combination of thrills and comedy. The best troupe of educated dogs ever seen in the city.

JOHN DOOLEY

The well-known Scotch and eccentric comedian, will sing a few songs, dance some and give you an imitation of Harry Lauder, the great Scotch comedian. Mr. Dooley is Scotch and is rapidly building a great reputation for himself as a Scotch comedian. His act is a hit everywhere.
